The Insurance Centre

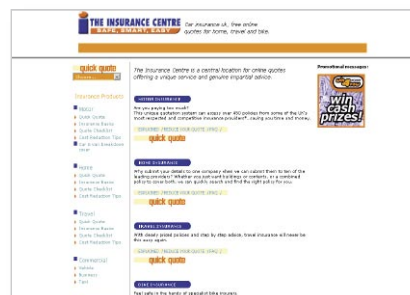

The Insurance Centre provides online consumers with an easy-to-use route to find the most competitive quotes available from a panel of over 450 leading insurance companies including AXA, Cornhill, Lloyds of London, Norwich Union, Eagle Star, Royal and Sun Alliance, Quoteline Direct and Saga Services.

Each user enters their personal details, occupation and car details and The Insurance Centre in return provides the cheapest quote. Consumers are required to supply detailed and valid information so insurance quotes are correct. As a consequence of accurate quote generation there are also reliable postal addresses available, but only to facilitate suppression requirements or geographic targeting.

The Insurance Centre is a consistent performer benefiting from good selectability and regular feeds of new data. The Insurance Centre is without doubt one of the most regularly used files across a significant range of automotive clients, as well as being a top performer for financial, travel and technology clients as well.
